** We are looking for donations now. If you would like to be involved in contacting businesses please contact me. I would like to have teams of parents who contact restaurants, grocery stores, hardware stores, hair & beauty salons, sports teams, medical and professional (like teeth whitening or will writing) and personal business owners. I think this will keep us from duplicating business owners and will also allow us to be more efficient. This will be where we generate our best profit so let me know if you would like to help us out here.
