Comments:  
Terrific opportunity that many of you took advantage of this weekend. I know that this was less than ideal and with three days out of school, somewhat difficult but those who went got a taste of competition and competed at a high level. I was very impressed with the results and can't wait to see where this leads you moving forward.

Congrats to Libby for moving up to 4<sup>th</sup> all time in the weight throw with here 42'4 and to Caroline for moving up into scoring points at the indoor state meet with her 39'5 bomb. Maddie moves into #5 all time and into the top 24 in the state indoor vault list with her 9'7 vault. Ellie is #5 all time at CHS in the TJ and is sitting 3<sup>rd</sup> right now on the state list. Great doubles in the

16/8 for Alex and Leah while Marianna ran her two events over 9 hours apart and raced at a high level. A very balanced 9<sup>th</sup> place effort overall- Great start!!

On the boys side we saw some great efforts. Ethan had a mini decathlon by doing the HJ, LJ and TJ and did great. excited to see what we can do when we add in the vault soon. Alex broke into the 40's in the weight while Evan is knocking on the door of 40 in the SP. Tyler, Aidan and Nathan all ran really competitive races with Aidan getting his 1<sup>st</sup> HS win by racing to victory in his heat of the 1600. Domenic, Connor stayed late to trace and looked string and raced well and how about Nate & Ryan doing work in the 400 and Jasper staying late to run the 200 at almost 9pm! and not to be forgotten was Kameron Fritz and JTC going sub 7.80 in the 60.

All Cedarville kids, after spending ALL DAY there to compete you get backpacks when we pass them out next week. Make sure you are here as there are some new ones and you earned the right to get hooked up for following thru and doing things the ELKK WAY!
